Job Purpose

The Project Support Officer's role is to provide support to project and programme managers and teams with the management, processes and governance structures of Council projects and programmes.

Directly Responsible For:

No line management responsibilities.

Directly Responsible To:

Programme or Project Manager

Main Areas of Responsibility:

- **Supporting delivery:** Attend project progress meetings to gain a full understanding of actions and risks required for delivery of projects. Control and be accountable for maintaining and updating all project management documentation relating to allocated projects / programmes (e.g. PIDs, implementation plans, risks and issues logs, trackers and status reports).
- **Governance:** Support the effective management and operation of relevant Governance Boards and other meetings. Including arranging meetings, preparing and sending out papers, attending meetings and taking minutes, and proactively following up actions.
- **Supporting budget management:** To process invoice payments and payment requests through the SAP system.
- **Communication:** Produce correspondence, reports, other documents and power point presentations for programmes and projects.
- **Information management:** Establish and maintain effective file management systems for the Council's programmes and projects to ensure an auditable trail is available. Maintain confidentiality at all times when dealing with information.
- **Supporting best practice:** Research and provide information support to the project / programme team members as required. Follow corporate project management processes and best practice at all times. Post holder is expected to give detailed advice/guidance to others on the application of project management policies and procedures as and when required.
- **Professionalism:** Exercise independent judgement and initiative based on good practice and acquired knowledge in problematic situations.
- **Other:** To undertake other general and analytical support duties as required.

Supervision and Management Responsibility:

- Not applicable to this role.

Budget and Financial Responsibility:

- Being fully accountable for managing the council's resources well and complying with statutory requirements. This includes managing time, avoiding unnecessary waste, reuse and recycle resources to reduce personal impact.

Social Value Responsibility:

- Drive for social value through all activities, ensuring wider social, economic and environmental benefits for the council, residents and communities.

Physical Demands of the Job:

- The job would include using a computer and sitting at a desk for prolonged periods of time.

Corporate Responsibility:

- Contribute to the delivery of the Council Plan.
- Delivering and promoting excellent customer service, externally and internally.
- Commitment to customer excellence by dealing with customer feedback, including complaints, and learning from feedback in the drive for continuous improvement.
- Making the council a great place to work, living the council's values, actively engaging in regular communications including team meetings, undertaking training as required and being responsible for managing own performance.

- Develop the City Council's commitment to equal opportunities and to promote non-discriminatory practices in all aspects of work undertaken.
- To ensure that all work functions are undertaken in accordance with health and safety legislation, codes of practice and the City Council's safety plan.

Competency Framework:

We operate a competency framework, a set of core behaviours which define how we are expected to approach our work, how we perform in certain situations and how we treat each other. Each competency details the standards of behaviours and skills required by all staff and this in turn supports delivery of our aim and our council plans linking them together with our values.

The post holder will be required to demonstrate the ability to perform at the following competency level **1**.

The competency framework can be found [here](#).

This job description is not intended to be either prescriptive or exhaustive. It is issued as a framework to outline the main areas of responsibility.

The Council's PMO has a Project and Programme Management skills matrix which sets out the skills and capability level required for each of our roles. The following personal specification is based on this matrix. In your application you should demonstrate how you meet the required capability level of each skill. The capability level required is referenced next to the person specification criteria where appropriate. These are:

- Awareness: You recognise the skill and may be able to provide limited support to others in providing the skill.
- Proficiency: You can explain the skill and have experience of demonstrating the skill in simple project situations.
- Advanced: You have wide experience of demonstrating the skill, including in more challenging project situations. You can evaluate, challenge and improve the effectiveness of the use of this skill. You can advise others on how to use the skill and improve their capability.
- Mastery: You have wide experience of demonstrating the skill in challenging project and programme settings. You can evaluate, challenge and improve the effectiveness of the use of this skill. You can provide expert advice on the skill and champion the use of the skill outside of your direct responsibility.
