

## Job Description

Job Title	Child & Family Worker
Grade	Band G
Reporting To	Team Leader
JD Ref	PC0072G

### Purpose

To provide a range of evidence-based interventions which support children, young people and families across the 0-19 age continuum ensuring they receive appropriate, timely, outcome-focused support. To work collectively with colleagues across Early Help & Prevention Services to ensure: children and young people are safer; the daily-lived experience of children and young people gets better' outcomes for children and young people improve; and wherever possible, family breakdown is prevented.

### Main Duties And Responsibilities

#### Behavioural:

- Enjoy, achieve, create impact, and thrive in the role and organisation.
- Live our values in the role and organisation.
- Manage a diverse caseload, taking the role of Lead Worker as appropriate, working in a creative, flexible and positive manner. As a champion for children and families, this will include being confident to offer healthy challenge when appropriate.
- At all times to act as a positive role model for children, young people, parents and colleagues, representing Children's Services in a professional and dynamic manner.
- Participate in supervision to ensure reflective practice which is outcomes based and evidence focused.

#### Communication, Engagement and Training:

- Work in partnership across Children's Services and with other agencies to deliver support to children, young people and families which is targeted, co-ordinated and meets identified need.
- Plan, deliver and review individual programmes of support; ensuring that vulnerable children, young people and families achieve better outcomes leading to improved life chances.
- Provide intensive support to children and families, this may mean daily contact in the family home or community venues, using a range of skills and approaches to engage them in positive change which will improve their outcomes and life chances.
- Deliver and facilitate groups (e.g. Nurture Parenting and Gateway) as required or deliver and facilitate supervised contact where deemed appropriate to the needs of the service, child and family.

### **Data Analysis and Decision-Making:**

- Undertake holistic assessments and observations of family situations using the relevant assessment and observation tools which are outcome focused and take sufficient account of individual needs and all types of diversity.

### **Performance Management:**

- Actively participate in performance management and quality assurance activity in relation to own caseload and work.
- Committed to continued personal and professional development, keeping abreast of practice guidance.

### **Compliance:**

- Adhere to and comply with all relevant corporate policies and procedures including Health & Safety, General Data Protection Regulations (GDPR), Corporate Governance and Code of Conduct.
- Accurately record and maintain clear, concise and high-quality case management and other records to enable preparation of necessary reports to a range of forums in accordance with Service, Departmental and corporate standards.
- Work in accordance with Wirral's policies and procedures including the data protection act, appropriate statutory legislation, regulations and guidance with particular reference to Wirral's Safeguarding and Child Protection procedures.
- Recognise, identify and manage risk associated with keeping children and young people safe, escalating and seeking advice on any issues relating to safeguarding.

### **Other:**

- Any other duties commensurate with the grade.
